The undersigned hereby petitions to withdraw the holding of abandonment
in this application on the basis that the Office Action forming the basis of the
abandonment was not received.

25

I hereby state that the Office Action indicated by the Notification of
Abandonment (copy attached) as being mailed on May 12, 1999, which was a
Notification of Missing Requirements (Form PCT/DO/EO/90.01) which would have
a due-date of June 12, 1999, was not received. A search of the file jacket and our
docket records in our office indicates that no Office Action was received. Attached
herewith is a copy of the docket record where the non-received Office Action would
have been entered had it been received and docketed.

05/09/2000 UNRECEIVED
01 FC:154

In addition, I am providing a statement from Lynn Weidenfeller, who is the person that would have docketed the Office Action if it had been received.

In addition, I am attaching herewith a Declaration and Power of Attorney, which identifies PCT/DE97/02385 and is signed by the inventors, Blasius Wilhelm, on April 21, 1999, by Georg Boehmer and Karl-Heinz Jenak on April 9, 1999, by Joseph Knott on August 12, 1999 and by Peter Bremmer on April 9, 1999 and a check for the \$130.00 surcharge for submitting the signed Declaration subsequent to filing the application, which would fulfill the requirements of the Notification of Missing Requirements.

In consideration of these submissions, it is respectfully requested that the holding of abandonment be withdrawn and the application be forwarded to the Examiner for examination.

It is believed that there is no government fee required to accompany this petition. However, if this belief is incorrect, please charge any sum required to Deposit Account No. 08-2290. A duplicate copy of this petition is enclosed.

Respectfully submitted,

S I R:

20 I hereby state that I am in charge of the U.S. Filing Department for the law
firm of Hill & Simpson; that when an Office Action is received, I enter this in a
docket sheet for the date that the response is due and that I then docket any Office
Action in the computer file under the Patent File Maintenance for the specific
attorney's docket list; that if a Notification of Missing Requirements (Form
PCT/DO/EO/9905) mailed on May 12, 1999 had been received, an entry would have
25 been made in the above-mentioned docket sheet for the date of June 12, 1999 and a
copy of that sheet for June 12, 1999 is attached herewith as Exhibit A and does not
indicate receipt of a Notification of Missing Requirements for Wilhelm et al

Application Serial No. 09/284,563. Attached herewith as Exhibit B is a copy of the two-page printout of the Patent File Maintenance for attorney's Docket No. P99,0610 (U.S. Application No. 09/284,563).

5 From these records, I believe that the Notification of Missing Requirements mailed by the Patent Office on May 12, 1999 was not received by our office.
